

PRESS RELEASE

# New career opportunities through relocation - prisma informatik moves second office to Oberstaufen

*The Allgäu office of the company, which was previously located in Isny, is moving to new rooms in March and is thus enabling a career in a medium-sized IT company in Oberstaufen.*

The prisma informatik location in the Allgäu region is now also venturing a change of scenery. Starting in March, the office will find itself in new rooms in Oberstaufen, offering promising career opportunities in the IT industry in the future.

**Nuremberg, 02.03.2022** - In October 2016, prisma informatik, which is headquartered in Nuremberg, Franconia, had opened another location in Isny in the Allgäu region. After about five and a half years, the branch is now moving to a new location. The company will relocate its Allgäu office to Oberstaufen, about 20 kilometers to the south, in the first quarter of 2022.

For all customers and business partners, it is therefore important to note the new address of prisma informatik GmbH in Allgäu from March, both for appointments and for correspondence: **Immenstaedter Straße 11 in 87534 Oberstaufen**. In future, the office can be reached by telephone under the **new number +49 (0)8386 39148-0**.

## Career opportunities in Oberstaufen

The move opens up interesting new IT career opportunities in Oberstaufen and the surrounding area in the fields of consulting, development and project management. Career starters and students from the region can also realize their potential at prisma informatik GmbH and take their first steps towards a successful career in the IT world. Particularly courses of study in business informatics, but also purely business subjects without a special IT focus are suitable here, for example, for the entry into the consulting and project management sector.

"We are continuously expanding our team and look forward to competent reinforcement," says Claudius Malue, Managing Director of prisma informatik GmbH. "Get to know us and get a sound impression of a medium-sized IT company."

The range of tasks and customer projects at prisma informatik GmbH extends from Enterprise Resource Planning (ERP) based on Microsoft Dynamics 365 Business Central to Business Intelligence (BI) with Qlik Sense and is extremely varied and diverse. Employees can thus expect various career opportunities and an intercultural team with flat hierarchies.

The software company also attaches great importance to a positive working atmosphere and pays attention to a good work-life-balance for employees with sufficient freedom to act on their own responsibility and work independently. Due to the unique regional quality of life in the midst of mountains, lakes and forests and a far above-average recreational value with a diverse cultural and educational offering, Oberstaufen proves to be the ideal location for a balanced relationship between life and work.

By means of state-of-the-art communication and work facilities, prisma informatik GmbH connects its teams across the various locations. The company relies on flexible working hours and working models, arrangements for working at home and other needs-specific services for the compatibility of work and family – not only in times of COVID-19.
